1. Introduction

- 1.1. The "Welcome 120% Bonus" (hereinafter referred to as the "Bonus") is a promotional reward program offered by Exeprime Ltd to eligible Clients, subject to the following Terms and Conditions.
- 1.2. To qualify for participation in the Bonus program, Clients must have successfully opened a trading account with Exeprime in accordance with the terms outlined in the Account Opening Agreement. Additionally, Clients must have attained the legal age of 18 or must not be considered a minor in their country of residence at the time of participation.
- 1.3. By participating in the Welcome 120% Bonus, the Client acknowledges, affirms, and agrees to be bound by these Terms and Conditions, and further confirms their understanding and acceptance of the legal obligations contained herein.
- 1.4. This promotion will remain valid from its launch date until further notice, with Exeprime reserving the right to amend, extend, or terminate the promotion at its discretion without prior notice to the Clients.

2. Terms and Conditions

- 2.1. The Welcome 120% Bonus will not be added to the Balance or Equity of the Client's trading account until the required trading volume has been completed. This process is implemented to mitigate any potential risks associated with the issuance of bonuses.
- 2.2. The Welcome 120% Bonus may be applied to a maximum of three (3) separate trading accounts per Client. This excludes any PAMM (Percentage Allocation Management Module) accounts and any Incentive Trading Accounts.

- 2.3. The Bonus is non-transferable and cannot be moved between different trading accounts.
- 2.4. To qualify for the Welcome 120% Bonus, the minimum deposit required is 200 USD or its equivalent in EUR. Any deposit below this threshold will not be eligible for the Bonus.
- 2.5. The maximum amount of the Welcome 120% Bonus that can be accumulated per eligible trading account is 24,000 USD or EUR, based on the base currency of the trading account.
- 2.6. For each standard lot traded (equivalent to 100,000 units), the Client will receive a bonus of 6 USD or the equivalent amount in the trading account's base currency. The volume requirement for the bonus can be tracked via the Client's Exeprime portal. The formula to calculate the number of lots required for completion of the Bonus volume requirement is as follows: Deposited Amount / 6 = Number of eligible lots required to fulfill the Bonus volume requirement.
- 2.7. Only trades that meet the following criteria will contribute toward the Bonus conversion:
- a. The trade must be closed.
 - b. The position must have remained open for a minimum duration of three (3) minutes.
 - c. The trade must have been opened with eligible instruments, namely Forex or Metals.
- 2.8. Upon successful completion of the required trading volume, Clients must email the Support Department to request the application of the Bonus to their trading account. After this, the Bonus can be used for trading or withdrawn, subject to the terms and conditions.
- 2.9. There is no fixed time limit for completing the volume requirement; Clients can take as much time as necessary to fulfill the criteria.

- 2.10. The progress of the Bonus conversion is updated every hour in the Bonus section of the Exeprime portal, reflecting the number of lots completed towards the volume requirement.
- 2.11. In the event that funds are transferred out of a trading account enabled with the Welcome 120% Bonus, the conversion progress will be penalized, which may result in a reduction of the bonus amount.

In the event that the Client is uncertain, they should seek independent financial advice to assess their suitability for participating in such high-risk trading activities.
